

Mundana

Art. Nr. 552042

Hungary | Kunság

Wine Description

Typical cherry aromas, notes of strawberries and raspberries characterize the bouquet. The fruit aromas are also found in the taste. Together with the sweetness, the result is a round wine with jammy notes. Despite its youth, the wine is already very pleasing and can be enjoyed without further aging.

Did you know?

Blafränkisch - also known as Kékfrankos in Hungary - is a grape variety with a long winemaking tradition in the region. The 2020 vintage is characterized by a very healthy harvest, which is expressed in the wine with crystal clear aromas.
